**RE: Release of Responsibility  
IR33051-A; I69 D/B**

Phil Cornelius and Daviess County Commissioners,

Fred Weber, Inc. is in the process of finalizing its contract with the Indiana Department of Transportation to construct the northernmost portion of I-69, Section 3, Daviess and Greene Counties, Indiana.

Foremost, I would like to thank you for welcoming FWI into your communities and displaying Daviess County hospitality and professionalism. At FWI, we recognize the temporary inconveniences that are brought to communities during major construction projects such as I-69, and we do our best to minimize the impacts and disruption to your daily lives and environment.

Phil Cornelius, as well as the Commission were very instrumental in the successful construction of this project and having Phil as the liaison between our project and the surrounding communities allowed for constant communication and quick problem solving.

Pursuant to the Daviess County Policy P-16, Section 10(B), Termination, FWI is requesting the Commission to release FWI from its maintenance responsibility pertaining to all bonded roads in Daviess County, Indiana.
