

**NOTICE OF RECEIVING  
ANNUAL BIDS FOR  
2018**

Notice is hereby given that the Board of Daviess County Commissioners will receive sealed bids for the Daviess County Highway Department for the following supplies, materials, and work for the maintenance of equipment, roads, and bridges for the year 2018:

- Item #1. Lubricating Oil, Grease, Anti-Freeze
- Item #2. Culvert Types & Other Drainage Structures
- Item #3. Concrete & Masonry Products
- Item #4. Flowable Fill
- Item #5. Sand & Gravel
- Item #6. Crushed Stone
- Item #7. Precast Reinforced Concrete Box Sections

Detailed specifications and bid forms for the above items are on file, at the Daviess County Highway Department, 5247E 100N, Montgomery, Indiana.

All bids are to include a bid bond or cashier's check equal to ten percent (10%) of the bid, a non-collusion affidavit, and a "Bid offer or proposal form" #DC-BOP.

The successful bidder is required to furnish a performance bond for the amount of the contract. The Board of Daviess County Commissioners reserves the right to accept or reject any or all bids and waive informalities in bidding.

Daviess County and its sub-contractors shall follow all state, federal and local requirements (regulations), as a recipient of state, local and federal monies and specifically will abide by the non-discrimination provisions of IC:22-9-1-10 and the Civil rights act of 1964.

Bids are to be submitted by 9:00 AM, EST, on October 24, 2017, at the Daviess County Auditor's Office, 200 East Walnut Street, Washington, Indiana 47501

**CULVERTS & OTHER DRAINAGE STRUCTURES**

Daviess County will receive bids on the following types of culverts; corrugated steel and aluminum pipe, concrete pipe, polyethylene pipe, railroad tank culverts, and other drainage structures.

All corrugated steel and aluminum pipe must be available in forty foot unbanded lengths. All metal, concrete, and polyethylene pipe shall conform to the latest Indiana Department of Transportation Specifications and supplements thereto.

All pipe ordered in lengths of thirty foot or less shall have rerolled ends, at no additional cost, unless otherwise specified.

Pipe to be delivered to any point in Daviess County, on order of the County Highway Department. All pipes included in the bid must be delivered within thirty days from the date of the order.

Bids shall include all sizes of corrugated metal pipe, aluminum box culverts, sectional plate arches, pipe arches, structural plate pipe arches and connecting bands.

Bidders shall bid prices on polymer coated "trench coat", aluminized type II and HDPE smooth interior pipe. Bidders shall give prices on 2-2/3" x 1/2", 3" x 1", and 5" x 1" corrugations.

All bids are firm. Prices are for the year 2018 and no change in prices will be allowed after bids have been accepted.

The Daviess county Commissioners reserve the right to reject any or all bids.

**CONCRETE AND MASONRY PRODUCTS**

Concrete and masonry products, for use in Daviess County's bridge construction, erosion control, etc. Concrete shall conform to the latest Indiana Department of Transportation Specifications. Concrete shall be for above and below ground applications and be referred to as Class A or Class B. Concrete shall consist of portland cements as part of it's composition, as regulated by the latest INDOT Standard Specifications. Slump and strength may also vary by order of the Daviess County Highway Supervisor, for different and specific uses.

<u>Class A Concrete:</u>		
6 bag mix	564 lb 4000 PSI	\$_____c.y.
5 1/2 bag mix	517 lb 3500 PSI	\$_____c.y.
<u>Class B Concrete:</u>

	2%	\$_____c.y.
High Early	1%	\$_____c.y.
	2%	\$_____c.y.
Delivery Charge	less than 3 cu yd	\$_____

All bids are firm. Prices are for the year 2018 and no change in price will be allowed after bids have been accepted. The Daviess County Commissioners reserve the right to reject any or all bids.

**FLOWABLE FILL**

Flowable fill, for use in Daviess County's bridge construction, erosion control, filling trenches for culverts, utility cuts and other work.

Flowable fill shall consist of portland cement as part of it's composition, as regulated by the latest INDOT Standard Specifications.

Quantities are in pounds; water in gallons:

<u>Type</u>	<u>Cement</u>	<u>Sand</u>	<u>Water</u>	<u>Price Per Cu Yd</u>
INDOT	60	3100	70	\$_____
Delivery Charge (Less than 3 cubic yards)				\$_____

All bids are firm. Prices are for the year 2018 and no change in price will be allowed after bids have been accepted. The Daviess County Commissioners reserve the right to reject any or all bids.

**SAND AND GRAVEL**

All sand and gravel shall comply with current specifications of Indiana Department of Transportation for each size required.

**At Plant Sand and Gravel and Picked up at Quarry Sand and Gravel shall be quoted on the following:**

At plant sand and gravel shall be loaded into County Highway trucks from stockpiles maintained by the bidder.

At quarry sand and gravel shall be loaded into County Highway Trucks from stockpiles maintained by bidder at rock quarry.

At plant and picked up at quarry sand and gravel bids are firm for 2018, and no change in price will be allowed after bids have been accepted.

**Delivered and Stockpiled or Delivered and Spread Sand and Gravel:**

The freight rate shall be bid as a price per ton, from the plant or quarry delivered and stockpiled at Montgomery, Indiana or at the Salt Building in Washington, Indiana, or to townships in Daviess County.

The freight rate shall be based on the U.S. average cost for fuel per gallon based on the price published in "Transport Topics" magazine on **\_September 25, 2016\_**, and this price will be the "base price".

The freight rate will be reviewed on the last Monday of each month and increased or decreased 2% (two percent) for each \$.10 (ten cents) per gallon increase or decrease over the "base price".

The freight rate will remain in effect for each order, from the date of order until completion.

All bidders are required to complete and submit the specified sand and gravel form as a part of bid. Any deviation from procedure may cause your bid to be rejected.

The Daviess County Commissioners reserve the right to reject any and all bids.

**CRUSHED STONE**

All crushed stone shall comply with current specifications of Indiana Department of Transportation.

**At Plant Stone and Stone Picked up at Quarry shall be quoted on the following:**

At plant stone shall be into County Highway trucks from stockpiles maintained by the bidder.

At quarry stone shall be into County Highway trucks from stockpiles maintained by bidder at rock quarry.

At plant and picked up at Quarry prices are firm for the year 2018 and no change in price will be allowed after the bids have been accepted.

**Delivered Stone and Delivered and Spread Stone shall be quoted on the following:**

The freight rate shall be bid as a price per ton, from the plant or quarry delivered and stockpiled at Montgomery, Indiana or at the Salt Building in Washington, Indiana, or to townships in Daviess County.

The freight rate shall be bid as a price per ton, from the plant or quarry.

The freight rate shall be based on the U.S. average cost for fuel per gallon based on the price published in "Transport Topics" magazine on September 25, 2017, and this price will be the "base price".

The freight rate will be reviewed on the last Monday of each month and increased or decreased 2% (two percent) for each \$.10 (ten cents) per gallon increase or decrease over the "base price".

The freight rate will remain in effect for each order, from the date of order until completion.

All bidders are required to complete and submit the forms for commercial and/or INDOT stone, as a part of bid. Any deviation in this procedure may cause your bid to be rejected.

The Daviess County Commissioners reserve the right to reject any and all bids.
