DAVIESS COUNTY, INDIANA
TITLE VI NONDISCRIMINATION PLAN AND POLICY

I. POLICY STATEMENT

This plan is part of Daviess County’s ongoing efforts to comply with civil rights regulations. This plan and policy details the County’s intent to proactively meet its compliance requirements under Title VI of the Civil Rights Act, as amended ("Title VI"), and the related anti-discrimination statutes and regulations.

Title VI prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving federal financial assistance. Pursuant to Title VI, Section 162(a) of the Federal-Aid Highway Act of 1973 (23 U.S.C. 324), Age Discrimination Act of 1975, Section 504 of the Rehabilitation Act of 1973/Americans with Disabilities Act of 1990, Executive Order #12898, Executive Order 13166, and the Civil Rights Restoration Act of 1987, Daviess County, Indiana, will not exclude from participation in, deny the benefits of, or subject to discrimination any individual on the ground of race, color, or national origin, sex, age, disability, limited English proficiency, or income status.

Objectives of this policy are to:

A. Ensure that the level and quality of transportation service is provided without regard to race, color, national origin, sex, age, disability, limited English proficiency, or income status;
B. Identify and address, as appropriate, disproportionately high and adverse human health and environmental effects, including social and economic effects of programs and activities on minority populations and low-income populations;
C. Promote the fair and full participation of all affected populations and activities that benefit minority populations or low-income populations;
D. Prevent the denial, reduction, or delay in benefits related to programs and activities that benefit minority populations or low-income populations;
E. Ensure meaningful access to programs and activities by persons with limited English proficiency.

Daviess County (the “County”) is an equal employment opportunity employer. The County provides equal opportunity in employment to all employees and applicants for employment and prohibits discrimination in employment because of race, religion, color, sex, age, national origin, disability, military status, or any other classification protected under applicable law. This protection applies to all terms, conditions, and privileges of employment. This plan details Daviess County’s compliance with Title VI and the related anti-discrimination laws that apply to entities receiving federal financial assistance.

New employees will be provided with education and literature at new employee orientation.
Employees will be provided with updated education and literature as Daviess County deems necessary.

Employees are expected to follow the Title VI policy and the guidelines set forth in the policy. In addition, employees should make every effort to alleviate any barriers to service or public use that would restrict public access or usage, take prompt and reasonable action to avoid or minimize discrimination incidences, and immediately notify the Title VI Coordinator, in writing, of any questions, complaints, or allegations of discrimination.

IV. CONTRACTORS, SUBCONTRACTORS, VENDORS AND CONSULTANTS

All contractors, subcontractors, and vendors who receive payments from Daviess County (where funding originates from a Federal assistance program) are subject to the provisions of Title VI. Daviess County will include Title VI language, as per the Standard U.S. DOT Title VI Assurances (Appendices A, B, and C), as relevant and appropriate, in written agreements and bid notices. Written agreements relevant to Title VI shall not contain any form of discrimination.

V. COMPLAINT PROCESS

Daviess County will promptly and thoroughly investigate all properly submitted complaints of alleged discrimination. Daviess County will also attempt to resolve such complaints and take corrective action upon a finding of a substantiated complaint. The County will make reasonable efforts to facilitate a voluntary, early resolution of complaints at the lowest level possible. The complaint investigation procedure is part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the complainant.

Any individual who believes they have been excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any Daviess County service, program, or activity (whether Federally funded or not), based on their race, color, national origin, gender, age, disability, ancestry, income status, or limited English proficiency may file a complaint with the Daviess County Title VI Coordinator. Complaint forms can be found in Appendix F, or on Daviess County's website at: www.daviess.org or by contacting the Title VI Coordinator. In order for a complaint to be considered, the complainant must file the appropriate documentation within 180 calendar days after the alleged act of discrimination occurred.

Complaint Requirements
Complaints must be made in writing and shall be signed by the complainant and/or the complainant’s representative. Daviess County does not accept anonymous complaints. Complaints must contain the following information, and describe as completely as possible the facts and circumstances surrounding the alleged discrimination:

- Name of the complainant;
- Contact information of the complainant (telephone number, address, email address);
- The full name and address of the respondent, individual, agency, department, or program that allegedly discriminated against the complainant;
• A description of the alleged discriminatory act(s) that violated Title VI (i.e., an act of intentional discrimination or one that has the effect of discriminating on the basis of race, color, national origin, sex, age, or disability). The description must include the date of the incident, and how, where and why the complainant believes they were discriminated against;
• Names and contact information of all witnesses; and
• Any other information that is deemed significant.

If a complainant is unable or incapable of providing a written statement, a verbal complaint may be made to the Title VI Coordinator. Under these circumstances, the complainant will be interviewed and the Title VI Coordinator will assist the complainant in completing a written complaint. The Title VI Coordinator will provide the written complaint to the complainant for confirmation, review and signature before processing.

Conference With Title VI Coordinator
Within fifteen (15) calendar days after receipt of the complaint, the Title VI Coordinator will arrange to speak or meet with the complainant to discuss the complaint and possible resolutions, if applicable. If a complaint is deemed incomplete, additional information will be requested. The complainant has thirty (30) calendar days to respond to the request for additional information. A complainant’s failure to respond to the request within thirty (30) calendar days may result in the administrative closure of the complaint.

Jurisdiction
If Daviess County does not have sufficient jurisdiction to investigate the complaint, the Title VI Coordinator will refer the complaint to the appropriate local, state or federal agency holding such jurisdiction. The Title VI Coordinator will notify the complainant or their representative in writing that the complaint is outside of Daviess County’s jurisdiction and where the complaint has been referred for further handling.

Title VI Coordinator Investigation
The Title VI Coordinator will conduct a complete and thorough investigation of complaints inside Daviess County’s jurisdiction and based upon the information obtained will strive to render a final written response letter to the complainant or their representative by registered mail or hand delivery within sixty (60) calendar days. The Title VI Coordinator will inform the respondent of the complainant’s allegations and request a position statement and response to all aspects of the complainant’s allegations. The Title VI Coordinator may assign a staff member to handle the investigation.

The Title VI Coordinator’s final written response to the complainant will include a description of the complaint, a summary of the investigation and the findings of such, summaries of all individuals interviewed, and if appropriate, recommendations and resolutions. All written complaints, investigations, and responses will be retained by Daviess County for at least three (3) years.
Confidentiality
A complainant’s identity shall be kept confidential, except to the extent necessary to complete the investigation. If it is necessary to disclose the complainant’s identity to the alleged person who may have discriminated against the complainant or a third-party, Daviess County must first obtain the complainant’s consent. Daviess County must also obtain the complainant’s consent before providing a copy of the complaint to any other individual(s) involved with the investigation.

Corrective Action
If Daviess County recommends corrective action, the County will give the respondent thirty (30) calendar days to inform the County of the actions taken for compliance. The Title VI Coordinator shall monitor the respondent’s corrective action compliance. Such corrective action may include actions the respondent will complete at a future date of the initial thirty days, and must include the projected time in which the respondent will complete the action.

If the respondent has not taken the recommended correction action within the thirty day period allowed, Daviess County will take corrective action to be in compliance with Title VI. Noncompliance not corrected may be subject to sanctions as provided in 49 C.F.R. § 21.13.

DOJ Complaint
If a complainant is dissatisfied with the final resolution of the complaint, the complainant has the right to file a complaint with:

Washington, D.C. 20530

Records Retention
Daviess County will maintain all records of an investigation in a confidential area for three (3) years after the completion of the investigation.

Complaint Closure
It is the general practice of Daviess County to investigate all complete complaints. However, the County may administratively close a complaint at its discretion. The types of complaints that may be administratively closed and not investigated include, but are not limited to:

- Complaints that fail to state a claim or provide any substantial or coherent claim;
- Complaints that are outside the scope of Daviess County’s Title VI jurisdiction;
- Untimely complaints filed more than 180 days after the alleged discriminatory acts;
- Complaints voluntarily withdrawn by the complainant;
- Complaints in which the investigation has been impaired by the County’s inability to locate the complainant;
• Complaints that are a continuation of a pattern of previously filed complaints involving the same or similar allegations against the same respondent or other respondents that repeatedly have found factually or legally unsubstantiated by Daviess County;
• Complaints containing the same or similar allegations and issues that have been addressed in a recently closed complaint or compliance review conducted by the County;
• Complaints containing allegations that are foreclosed by previous decisions by state and Federal courts, the Department of Justice, or County policy determinations;
• Complaints filed for complainants or parties who refuse to cooperate with the investigation and whose lack of cooperation substantially impairs the completion of the investigation;
• Complaints transferred to another agency for investigation; and
• Complaints where the death of a complainant makes it impossible to investigate the allegations fully.

Daviess County will notify the complainant in writing when a determination is made to administratively close a case without further investigation. The notification shall include a basis for the administrative closure.

Summary of Complaints Received
No complaints have been filed within the reporting period.

upon request. All such requests must be made at least forty-eight (48) hours in advance of the public meeting.

Also published on the Daviess County website are various meeting agendas, meeting minutes, and Daviess County notices, events and news. Some County departments utilize signage, media and social media websites as another avenue to communicate with the community.

VIII. DATA COLLECTION

Daviess County will collect and analyze statistical information regarding demographics to assist in monitoring and ensuring nondiscrimination in all of its programs and activities. Daviess County will utilize a voluntary public involvement survey (Appendix H) to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, disability status, and household income.

Daviess County plans to make this survey available at all public hearings and meetings and in appropriate County buildings. Completed surveys shall be retained for a period of three years from the date of the meeting.

IX. SECTION 504/AMERICANS WITH DISABILITIES ACT (ADA)

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as amended, and the Americans with Disabilities Act of 1990, as well as any other local, federal and state laws and regulations, Daviess County will make every reasonable effort to ensure that no individual with a disability will be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any of Daviess County’s programs or activities.

X. LIMITED ENGLISH PROFICIENCY (LEP) PLAN
Daviess County has prepared this plan in accordance with Title VI, which states that no person shall be subjected to discrimination on the basis of race, color or national origin. The purpose of this plan is to help identify reasonable steps for providing language assistance to individuals with limited English proficiency who wish to access services provided by Daviess County.

Presidential Executive Order No. 13166, titled “Improving Access to Services for Persons with Limited English Proficiency,” indicates that individuals treated differently based upon their inability to speak, read, write or understand English is a type of national origin discrimination. Presidential Executive Order No. 13166 defines limited English proficiency persons as those individuals who do not speak English as their primary language and have limited ability to read, speak, write or understand English.

In order to prepare this plan, Daviess County utilized the U.S. Department of Transportation four-factor LEP analysis, which considers the following factors:
1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter a Daviess County program, activity or service;
2. The frequency with which LEP persons come in contact with Daviess County programs, activities and services;
3. The nature and importance of programs, activities or services provided by Daviess county to the LEP population; and
4. The resources available to Daviess County and the overall costs to provide LEP assistance.

Using the U.S. Census Bureau’s American Community Survey 2012-2016 5-Year Estimates, approximately 4.3% of people in Daviess County, age 5 years and older, speak English “less than very well.” Source: http://factfinder.census.gov/faces/tablesServices/jsf/pages/productview. Daviess County also surveyed its staff, including drivers, dispatchers, supervisors, and administrators regarding the frequency of problems encountered with persons that are LEP. These surveys affirmed that Daviess County staff rarely, if ever, have had issues communicating with and providing services for LEP individuals. When there has been contact with an LEP individual, the staff has been able to accommodate the language barrier.

The County also utilizes a Voluntary Title VI Public Involvement Survey (Appendix H) to assess the frequency with which LEP individuals come into contact with County programs, activities, and services. The Voluntary Title VI Public Involvement Survey is made available at public meetings and in appropriate public buildings.

In compliance with the U.S. Department of Transportation’s LEP analysis, Daviess County has considered and implemented the following:
• The number or proportion of LEP persons who may be served or likely to encounter a Daviess County program, activity or service is very small.
• The frequency with which LEP persons come into contact with Daviess County programs, activities, or services is very low, based on our staff survey.
• To ensure meaningful access to LEP persons to Daviess County programs, activities, and services, the County offers interpretation services on an as needed basis if requested forty-eight (48) hours in advance. This service is provided free of charge.
Daviess County is aware that its community profile is ever-changing. As a result, this LEP plan will be re-evaluated annually to ensure the plan remains reflective of community needs. Anyone requiring special language services or accommodations must contact the Title VI Coordinator.

XI. POLICY AND MISSION STATEMENT

Daviess County plans to incorporate Title VI policy and mission statements into its employee handbook for the next revision.

Daviess County Title VI Policy Statement
Daviess County values each individual’s civil rights and wishes to provide equal opportunity and equitable service for the citizens of this county. As a recipient of federal funds, Daviess County is required to conform to Title VI and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the Department of Transportation on the grounds of race, color, age, sex, disability, national origin, or income status.

Daviess County Title VI Mission Statement
Daviess County will comply with Title VI and its related statutes and regulations to ensure that no person is excluded from participation in, denied the benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S. Department of Transportation on the grounds of race, color, national origin, age, sex, disability, or income status.

XII. SOCIAL EQUITY AND ENVIRONMENTAL JUSTICE

Ensuring the involvement of low income, minority, disabled, senior, and other traditionally underrepresented communities is a key component of the County’s public participation activities. Daviess County’s policies, procedures, and programs are consistent with federal and state environmental justice laws, regulations and requirements, Title VI, related nondiscrimination requirements and reflect the principles of social equity and environmental justice. “Social equity” means ensuring that all communities are treated fairly and are given equal opportunity to participate in the planning and decision-making process, with an emphasis on ensuring that traditionally disadvantaged groups are not left behind. “Environmental justice” means ensuring that plans, policies, and actions do not disproportionately affect low income and minority communities.

TITLE VI COMPLAINT PROCEDURE

Any person who believes that he or she, as a member of a protected class, has been discriminated against based on race, color, national origin, gender, age, disability, or low income status in violation of Title VI of the Civil Rights Act of 1964, as amended, and its related statutes, regulations and directives, Section 504 of the Vocational Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, as amended, the Civil Rights Restoration Act of 1987, as amended, and any other Federal nondiscrimination statute may submit a complaint. A complaint may also be submitted by a representative of such a person.

It is the policy of Daviess County to conduct a prompt and impartial investigation of all allegations of discrimination and to take prompt effective corrective action when a claim of discrimination is substantiated.

No one may intimidate, threaten, coerce, or engage in other discriminatory conduct against anyone because they have taken action or participated in an action to secure rights protected by the civil rights laws. Any individual alleging such harassment or intimidation may submit a complaint by following the procedure provided below.

Any individual who feels that he or she has been discriminated against may submit a written or verbal complaint. The complaint shall be communicated to the County Title VI Coordinator. The complaint must be submitted within 180 days of the alleged discrimination. Complaint forms may be found in Appendix F, on Daviess County’s website at: www.daviess.org, or by contacting the Title VI Coordinator. Individuals are not required to use the County’s complaint form. If necessary, the County will help an individual reduce his or her complaint to writing for his or her signature.

Generally, a complaint must include the name, address, and telephone number of the complainant and a brief description of the alleged discriminatory conduct, including the date of harm. An individual submitting a complaint alleging discrimination may include any relevant evidence, including the names of witnesses and supporting documentation.

**Direct Title VI and/or ADA complaints to:**

Daviess County will conduct an investigation of the allegation based on the information provided and will strive to issue a written report of its findings to the complainant within 60 days of receipt of the complaint. The County will try to obtain an informal voluntary resolution to all complaints at the lowest level possible.

A complainant’s identity shall be kept confidential except to the extent necessary to conduct an investigation.

These procedures do not deny the right of any individual to file a formal complaint with any government agency or affect an individual’s right to seek private counsel for any complaint alleging discrimination. The complaint investigation procedure is part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the complainant.
