

NEWS RELEASE April 3, 2020

FOR IMMEDIATE RELEASE

Today Elaine Wellman, Daviess County Treasurer, released the following information concerning changes to the mailing of upcoming property tax statements.

The mailing of tax statements has been delayed to April 9th. Due to Governor Holcomb's Executive Order 20-05 Wellman reminds everyone first installments still remain due on or before May 11, 2020. The order delays the assessment of penalties on the property tax portion for a period of 60 days. All units of government (cities, towns, libraries, schools, etc) rely on the timely payment of property taxes. Any delays will negatively impact their cash flows.

Due to the COVID-19 virus outbreak and request by State and local health officials to reduce gatherings of people, there will be no paying in person at the Treasurer's office. Payments may be made by one of the following methods:

1. Mail your tax statement(s) and check to: Daviess County Treasurer, 200 E. Walnut St, Washington, IN 47501.
2. Pay online at www.govtechtaxpro.com. Go to State – Indiana, then to Collector – Daviess. You can search by parcel number or name. You can then pay by credit or debit card or e-check. A fee is charged by the service company.
3. There is a drop-box inside the east door ramp by security. Please place your check or money order & tax statement in an envelope.
4. If using the mail or drop box and would like a receipt mailed back to you, please include a self-addressed, stamped envelope.

If taxpayers have questions, they may contact the Treasurer's office at 812/254-8677. The county's website is www.daviess.org. Taxpayers may research parcel, transfer, tax and assessment information on that site. One can also search records at www.xsoftin.com/daviess or www.daviesscounty14.us.
