UPDATE: The Daviess County Health Department announces as of the time of this release, the total number of COVID-19 related deaths remain at seventeen (17) and the total confirmed positive cases are at 109 in Daviess County.

Since June 3rd (our last reporting date), Daviess County has seen nine (9) new positive confirmed cases. We are working closely with the Indiana State Department of Health to ensure that close contacts of those positive cases are notified of their potential exposure so that appropriate infection control procedures can be followed. Those new positive confirmed cases have been placed in isolation.
