### SECTION II PLAN AND EQUIPMENT QUESTIONNAIRE

1. Explain your plan or layout for performing proposed work. (Examples could include a narrative of when you could begin work, complete the project, number of workers, etc. and any other information which you believe would enable the governmental unit to consider your bid.)
2. Please list the names and addresses of all subcontractors (i.e. persons or firms outside your own firm who have performed part of the work) that you have used on public works projects during the past five (5) years along with a brief description of the work done by each subcontractor.
3. If you intend to sublet any portion of the work, state the name and address of each subcontractor, equipment to be used by the subcontractor, and whether you will require a bond. However, if you are unable to currently provide a listing, please understand a listing must be provided prior to contract approval. Until the completion of the proposed project, you are under a continuing obligation to immediately notify the governmental unit in the event that you subsequently determine that you will use a subcontractor on the proposed project.
4. What equipment do you have available to use for the proposed project? Any equipment to be used by subcontractors may also be required to be listed by the governmental unit.
5. Have you entered into contracts or received offers for all materials which substantiate the prices used in preparing your proposal? If not, please explain the rationale used which would corroborate the prices listed.

### SECTION III CONTRACTOR'S FINANCIAL STATEMENT

Attachment of bidder's financial statement is mandatory. Any bid submitted without said financial statement as required by statute shall thereby be rendered invalid. The financial statement provided hereunder to the governing body awarding the contract must be specific enough in detail so that said governing body can make a proper determination of the bidder's capability for completing the project if awarded.

# **BIDDERS INSURANCE REQUIREMENTS**

## **Contractors Comprehensive General Liability**

With respect to all operations performed and for the duration of the contract, the Contractor shall carry Contractors Comprehensive General Liability Insurance. The certificate of insurance shall include the statement that the policy provides the minimum insurance coverages of the policy identified as form CG 0001 11 88, copyright 1982, 1988 by the Insurance Services Office, Inc. and filed with the Indiana Department of Insurance effective January, 1986. The limits of coverage shall be in the following amounts:

1. A limit of not less than \$600,000 for all damages arising out of bodily injury or property damages in any one occurrence with an aggregate limit for the contract of not less than \$2,000,000 for the policy period; or
2. A limit of not less than \$500,000 for all damages arising out of bodily injury in any one occurrence, and a limit of not less than \$100,000 for all damages arising out of property damage in any one occurrence with an aggregate limit for the contract of \$300,000 during the policy period.

## **Comprehensive Automobile Liability**

The Contractor shall carry Comprehensive Automobile Liability Insurance for the duration of the contract. Such insurance shall provide the minimum coverages as filed with the Indiana Department of Insurance by the Insurance Services Office and shall include coverage for all owned, non-owned, and hired vehicles. The limits of coverage shall be in the following amounts:

1. A limit of not less than \$600,000 for all damages arising out of bodily injury or property damage in one occurrence with an aggregate limit of not less than \$2,000,000 or
2. A limit of not less than \$500,000 for all damages arising out of bodily injury for each person and a limit of not less than \$500,000 for all damages arising out of bodily injury in any one occurrence, and a limit of not less than \$100,000 for all damages arising out of property damage in one occurrence.

## **Owners and Contractors Protective Liability Insurance Coverage for Operations of Designated Contractor**

The Contractor shall, prior to commencing work, furnish the Daviess County a policy providing Owners and Contractors Protective Liability Insurance Coverage for Operations of Designated Contractor. Daviess County may accept an insurance binder, temporarily, pending receipt of the policy. The insurer shall be a company holding a certificate of authority issued by the Indiana State Insurance Commissioner to do business in the State and be of sound financial condition. The named insured shall be The Board of Daviess County Commissioners, Daviess County Courthouse, Washington, Indiana 47501.

1. A limit of not less than \$1,000,000 for all damages arising out of bodily injury or death in one occurrence, and for all damages arising out of injury to or destruction of property in any one occurrence. Subject to the limit per occurrence, an aggregate limit for the contract of not less than \$3,000,000 shall be provided, during the policy period, or
2. A limit of not less than \$1,000,000 for all damages arising out of bodily injury or death in one occurrence, and a limit of not less than \$100,000 for all damages arising out of injury to or destruction of property in one occurrence, and subject to that limit per occurrence, an aggregate limit of not less than \$300,000 for all damages arising out of injury to or destruction of property, during the policy period.

In addition to the limits specified herein, the policy and the binder shall also include the endorsements to the Owners and Contractors Protective Liability Insurance as follows:

1. Wherever used in this policy, the term named insured shall include the Board of Daviess County Commissioners, its officers, and employees. If so specified in the contract, the term named insured shall also include a local governmental agency, its officers, and employees.
2. Wherever used in the policy, the term general supervision shall include on-site inspection, field engineering, field testing, and activities incidental thereto.
3. Exclusion (a) is amended to read as follows:  
To bodily injury or property damage occurring after all work on the project to be performed by or on behalf of the County at the site of the covered operation has been completed, and the Contractor designated herein has been relieved of further maintenance, as set out in the final acceptance letter of the Board of Daviess County Commissioners.
4. Notwithstanding other terms or conditions, this policy provides the minimum insurance coverages as filed with the Indiana Department of Insurance by the Insurance Services Office effective January, 1986, with the endorsements and amendments specified by 103.04 (e) of the Indiana Department of Transportation Standard Specifications. The policy is identified as form CG 00 09 11 88 and has a 1984, 1988 copyright by the Insurance Services Office, Inc.

### **Basis of Payment**

No direct payment will be made for insurance. The cost thereof shall be included in the cost of the pay items.

### **Responsibility for Damage Claims**

The Contractor shall indemnify, defend, exculpate, and hold harmless the Board of Daviess County Commissioners, its officials and employees from all liability due to loss, damage, injuries, or other casualties of whatsoever kind, or by whomsoever caused, to the person or property of anyone on or off the right-of-way arising out of or resulting from the performance of the contract or from the installation, existence, use, maintenance, condition, repairs, alteration, or removal of any equipment or materials, whether due in whole or in part to the negligent acts or omissions; (a) of the County, its officials, agents, or employees (b) of the Contractor, its agents or employees, or other persons engaged in the performance of the contract (c) the joint negligence of any of them, including any claim arising out of the Workers Compensation law or any other law, ordinance, order, or decree.

The Contractor also agrees to pay all reasonable expenses and attorney fees incurred by or imposed on the County in connection herewith in the event that the Contractor shall default under the provisions of this section. As much of the money due the Contractor under and by virtue of its contract as the County may consider necessary for such purpose may be retained for the use of the County. If no money is due, the Contractor's surety may be held until such suit or suits, action or actions, claim or claims for injuries or damages as aforesaid shall have been settled and suitable evidence to the effect furnished to the County. Money due will not be withheld when the Contractor produces satisfactory evidence that it is protected adequately by public liability and property damage insurance. The obligation of the contractor under this section and 107.01 shall not extend to the indemnification or exculpation against claims arising out of the preparation or approval of plans, specifications, or special provisions unless furnished by the Contractor.

It is specifically agreed between the parties executing the contract that it is not intended by the provisions of any part of the contract to create the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to the contract to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of the contract.
